## BIG SHOW COMING.

The announcement that Ringling Brothers' World's Greatest Shows will exhibit in Toledo, will be received with more than usual interest by the people of this neighborhood. The Ringling Brothers have a name that stands for all that is new, novel and entertaining in the circus line, and the management announces that this season the show has been enlarged to such an extent that a whole extra train is used in addition to the four trains of last season. In connection with the circus proper, in which the arena performance is unexcelled, the Ringling Brothers are this season presenting the beautiful and sublime spectacular production of Jerusalem and the Crusades. The pantomimic play necessitates the use of 1,200 actors and actresses and almost three hundred horses. Special excursion rates have been arranged for on all lines of travel by Ringling Brothers and those who desire to go to Toledo where this great circus exhibits Wednesday June 22 can do so at a comparatively small cost.

## A NEW FIRM

Has Purchased the Well  
Known Champney Pharmacy.

The close of the month of May marked the date of an important business change in this place, the change being the purchase of the Champney Pharmacy by Dr. I. S. Bowers and William Comstock.

The new firm will be known as Bowers & Comstock and will take possession June 10.

Both members are so well and favorably known as among the most prominent people of the locality that they need no introduction by the JOURNAL, but that they will prove an enterprising and progressive firm and will keep the business up in the front rank there is no doubt.

Merlin Bowers and Harry Comstock will assist in the store, while Dr. Bowers and a Pharmacist will look after the prescription and drug department.

The new firm will make every effort to give the people the best in the line of business, and we bespeak their success.

## Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor—it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

The hardships they endured and the dangers they had encountered together has welded a bond of friendship that time cannot efface and their visits with each other are glorious moments for each.
